

Har du rätt till äldreomsorgsstöd?

Vem kan ansöka?

Äldreomsorgsstöd är ett stöd för dig som är pensionär och saknar pension eller har en låg pension. Det är ett stöd för att du ska kunna betala för din bostad och klara din försörjning. För att ansöka ska du ha uppnått rätt ålder och vara bosatt i Sverige. Är du född 1957 eller tidigare behöver du vara 65 år eller äldre. Är du född 1958 eller 1959 behöver du vara 66 år eller äldre. Är du född senare kommer andra åldrar gälla för dig*.

Two steps for applying

1. Do you have the right to a pension?

You who have the right to a general pension but have not applied for it, you must do this at the same time as you apply for old-age support.

You who already have a general pension can apply for old-age support directly.

You who do not have the right to a general pension can apply for old-age support directly.

2. Apply for old-age support

Enklarest you apply on [pensionsmyndigheten.se/ansokafs](https://www.pensionsmyndigheten.se/ansokafs) with e-legitimation such as BankID.

You can also download a form from our website. The application for old-age support and housing allowance is made on the same form.

You can also order a form from customer service on 0771-776 776.

It is also possible to visit one of our service centers and get help with the application via the website or form.

Fill in all the information on the application carefully for a faster decision. Here you get help to fill in correctly: [pensionsmyndigheten.se/blankett hjalp](https://www.pensionsmyndigheten.se/blankett hjalp)

Relative can apply for you in some cases

A relative can be eligible to apply for you. It is easiest on the Pensionsmyndigheten's website with the relative's e-legitimation. The relative must not have a decision or full power.

What happens then?

When we start the processing we first check if the application is complete. Missing information will take the application longer. You will always get a written decision from us.

If you are granted old-age support you will get a payment once a month. If you already have a general pension the old-age support will be granted at the same time as the pension. Old-age support is tax-free.

Old-age support is granted for one year at a time and you will get a reminder from us one month before you need to re-apply.

Other languages

If you need help and information on anything else, you are welcome to contact our customer service.

If you do not have a pension at all or a low pension, there is old-age support for you so that you can pay for your housing and cover your living costs.

If you need help with applying or want to know more, you are welcome to contact us!
